Nexion® Mechanical Entrance Lockset

The Nexion Entrance Lockset represents the next generation in home security.

Designed and manufactured to the highest quality standard, the Lockwood Nexion range has set the benchmark for safety, security and style.

Available in two furniture plate styles, Vision or Classic and a choice of up to 7 designer levers, you can customise your front door suite to suit your own individual style.

Features and Specifications

- Three mode security: Secure, Safety and Passage mode provides excellent security without compromising convenience
- LockAlert® indicator shows lock status at a glance
- SafetyRelease™ automatically unlocks the inside handle upon entry to minimise the risk of being locked in
- High security latch
- Box strike with concealed crossgrain door frame strengthening screw
- Can be keyed alike to other Lockwood door locks as well as builder's key systems
